The founding member experience

Private quarterly gatherings Direct dialogue with PDT leadership, partners, invited guests and fellow members.	Annual legacy experience A curated trip, retreat or destination experience; final format to be confirmed.
Priority access Earlier access to key launches, announcements, impact tours, presentations and events.	Personal impact reporting Financial, operational and verified community-impact updates tied to member capital.
Social Impact Awards Invitations to annual recognition moments and selected member visibility.	Founding recognition Acknowledgment in selected reports, events and historical records; privacy available.

PARTICIPATION PRINCIPLE

Members are recognized as people who helped build the transformation model from the beginning.

Recognition can remain private where preferred.

Capital that strengthens a city-wide transformation platform.

Member capital supports the growth of PDT Toronto - a 100% women-owned and operated for-profit social enterprise designed to create recurring revenue and measurable impact.

01 CHARITY / NON-PROFIT NETWORK ACTIVATION DGS Ambassadors activate trusted local networks and grow recurring membership participation.	02 PREPARED WITH PURPOSE Food insecurity, food waste reduction, AI-proof employment, job training, guaranteed jobs and subsidized housing.	03 CORPORATE MARKETING BUDGETS Partner marketing spend funds acquisition, structured ROI and measurable community impact.

Visible and accountable impact

Reporting is designed to separate funded activity from completed, verified outcomes.

PDT Toronto growth Capital deployment, program readiness, member growth and operating milestones.	Food support and waste reduction Funds allocated, partners supported and city-specific food or waste-reduction activity.
Employment and skills Training participation, jobs supported or created and employer connections.	Housing and homelessness support Resources directed toward practical housing or homelessness-related initiatives.
Community partnerships New relationships, delivery collaborations and partner contributions.	Member legacy Financial performance, program progress and verified community outcomes.

How participation works

01 Private review Assess fit with financial objectives, time horizon and legacy goals.	02 Diligence Review formal terms, legal structure, risks, use of capital and reporting.	03 Activation Complete documentation and set recognition and reporting preferences.	04 Annual review Evaluate performance, program progress and verified outcomes.
